

GreenSky, Inc. to Present at J.P. Morgan Global Technology, Media and Communications Conference

April 15, 2019

ATLANTA--(BUSINESS WIRE)--Apr. 15, 2019-- GreenSky, Inc. ("GreenSky" or the "Company") (NASDAQ: GSKY), a leading financial technology company Powering Commerce at the Point of SaleSM, announced today that David Zalik, Chairman and Chief Executive Officer will present at the J.P. Morgan Global Technology, Media and Communications Conference in Boston on Wednesday, May 15th at 4:20 p.m. ET.

Interested parties can listen to live webcast of the presentation at <http://investors.greensky.com>. A replay of the webcast will be available at the same location for 90 days following the presentation.

GreenSky intends to make future announcements of material financial and other information through its investor relations website. GreenSky also will, from time to time, disclose this information through press releases, filings with the Securities and Exchange Commission, conference calls or webcasts.

About GreenSky, Inc.

GreenSky, Inc. (NASDAQ: GSKY) is a leading technology company Powering Commerce at the Point of SaleSM for a growing ecosystem of merchants, consumers and banks. Our highly scalable, proprietary technology platform enables almost 15,000 merchants to offer frictionless promotional payment options to consumers, driving increased sales volume and accelerated cash flow. Banks leverage GreenSky's technology to provide loans to super-prime and prime consumers nationwide. Since our inception, over 2.2 million consumers have financed more than \$16 billion of commerce using our paperless, real time "apply and buy" technology. GreenSky is headquartered in Atlanta, Georgia. For more information, visit <https://www.greensky.com>.
